1. PURPOSE & SCOPE

This policy sets forth the operational standard operating procedures, behavioral standards, security protocols, and financial guidelines for all full-time, part-time, and contractual employees at **Acme Technologies Pvt. Ltd.** Adherence to these guidelines ensures an effective, safe, and professional work environment across all office facilities and remote workspaces.

2. STANDARD WORKING HOURS

The standard working schedule for all full-time operational and corporate personnel is structured as follows:

- **Official Hours:** 9:00 AM to 6:00 PM (Monday through Friday).
- **Core Working Hours:** 10:00 AM to 4:00 PM. All team members must be logged in and accessible via corporate communication channels during these core hours.
- **Lunch & Break Schedule:** Employees are allocated a 60-minute lunch break to be taken between 12:30 PM and 2:30 PM, alongside two 15-minute rest breaks.
- **Overtime Approvals:** Non-exempt employees working beyond 40 hours per calendar week require prior written authorization from their respective Department Head.

3. REMOTE & HYBRID WORK FRAMEWORK

Acme Technologies operates under a structured **Hybrid Work Model** designed to balance flexibility with collaborative team performance.

Parameter	Specification / Policy Rule
Remote Allowance	Up to **2 days per week** worked remotely; 3 days in-office presence mandatory.
Designated Days	Remote days must be agreed upon with the Direct Manager and fixed per quarter (e.g., Tue/Thu).
Core Working Location	Employees must work from their registered home address or an approved co-working space.
Bandwidth Requirements	Minimum dedicated internet connection speed of 50 Mbps with audio/video conferencing capability.

> **Hybrid Work Eligibility Note**
>
> Employees undergoing their initial probation period (0–6 months) are required to work on-site 5 days a week to facilitate onboarding, unless explicit written exemption is granted by the VP of HR.

4. WORKPLACE CONDUCT & PROFESSIONALISM

5. INFORMATION & DATA SECURITY PROTOCOLS

All corporate information systems, electronic assets, and proprietary data remain the sole property of Acme Technologies Pvt. Ltd. Strict adherence to data handling procedures is mandatory.
